

This reminds
me of when
my sister
was being
annoying

i wonder how much the people
who made world records
gets paid \$\$\$

I predict that
Greg Heffley will
not get voted
for treasurer
in student
council at
school

I predict how
people made the
cool stuff in
the book

I wonder if
Ms. Albrostrom
is working
with Jack Frost

I predict
that Fudge
is going
to cause
trouble

I predict beezus
is gonna have
a bad day.

When Greg
got hit by lots
of snowballs
that reminded
me when I got
hit by snowballs

Ramona reminds
me of my little
sister alot!

This is a connection
the person in the
book said "what are
you talking about?"
I do that alot I
go to one thing
then to the other

This part of the
book reminds me of
the time in winter
school are music teacher
told us about Jack
Frost.

I think
that Fregly
needs
medicine,
he is so
crazy

I wonder will
Greg and Rowley's
haunted house
work

this reminds me
of another
book

I predict that
a goblin has
captured Fudge
and Kristy and
Rachel find a
goblin

I wonder
if Judy
Blume
vacation
is going to
go good

I think that
Greg and
Rodrick do not
like each other

This part in the book reminds me when my cousin had trap a animal like a muskrat.

I predict ^{curry} is going to say the word Ploopy

This reminded me when I was jealous that my friend got a new friend and left me like greg.

Connection
I usually always listen to conversations that my parent talk about.

Thea Stilton and the Prince's Emerald
This book reminds me of another book that's called Thea Stilton and the Ice treasure because Ashvin was in the Ice treasure book

I wonder what's wrong with Grandfather?

Page 4 of my book used the word aggressive.

I think that this word means "to be mean or violent."

I think I've heard that word before.

I think they are going to put littal willy in charge of the farm

I think greg is gonna miss up with Holly Hills

I wonder what will happen during all those winter days and winter nights.

I wonder why Baby mummy is scared of a mouse but not scared of a Bear creature, Vampire and skeleton?

I think Grandfather is dying

Thea Stilton Books
I wonder why the line suddenly cut out
I wonder why

I wonder if this is true... there are only 4 people in the world that know about the mermaid

Thea Stilton and the Prince's Emerald
I wonder why Ashvin said that he needed help and they were his only hope.

Manny is
upst with
that blanket
it is just
threads now

I ~~was~~ finally figured
out how this book
works. The reader is
supposed to choose between
the left page or the
right page based on the
information the author
provides.

What dose
Occasionally mean?
Dose it mean
don't love your
kids? I like
need to no so when
the word comes up,
I know what it is

How is the
history of
natural indoud
US people?

this reminds
me when
I mad a my
Friend because
I wanted to do
one thing and my
Friend wanted to
do another thing

I wonder if
amanda and
Leo will be
Friends again

I per diet
amanda
and Leo
get in trouble

When
Grandfather
died its like
when my grate
grandpa died

I am amazed by
the fact that
chimpanzees are ~~100~~ ^{seven}
times stronger than a
human. I connected
this to the movie Planet
of the Apes. 😊

What dose
disgusting mean?
I wonder if its
a bad word for
kids. If it is thats
a lesson. A very
good lesson

My book had the
word con in it.
I wonder if that's
like con from Star Trek.
I don't think so, though,
because that would make
sense in a book about animals.

Where's my
mummy reminds
me of the time
when i was playing
hide and seek and
got lost

When felicity's
Dad's friend
said o felicity
How much you've
grow and how
pretty you are
that reminds me
of my grama when I seek

I wonder
where Big
Mama mummy
is?

When felicity
said "I often
Day dream"
that reminds
me of when
I Day Dream
